*The proceeds of this auction are a very important source of income used by OQHRA to enhance and protect the Quarter Horse Racing Industry in the state of Oklahoma.*

### OQHRA Stallion Service Program Conditions

Stallion Services are donated to OQHRA and the donated services will be offered for sale through the 2020 OQHRA Online Stallion Service Auction. Information on donated stallions will be published in the major racing publications, on the OQHRA websites and in direct mailings.

### **As a condition of this contract the stallion owner/donor must agree to the following.**

1. Each Stallion owner will provide an owners standard breeding contract signed indicating the donated breeding and sent to the breeding facility so they will be familiar with the donation (if not being donated through the breeding facility). **A copy of the breeding contract should also be returned to OQHRA with this donation contract for informational purposes.** The stallion manager is responsible for sending the original breeding contract to the mare owner after purchase.
2. If the stallion is sold or moved to another location anytime during the stallion auction, the donor of the stallion breeding must immediately notify Krissy Bamberg with OQHRA.
3. The stallion owner may charge the mare owner for normal mare care charges and other applicable fees such as veterinary fees, semen shipping fees, etc. These fees will be paid by the mare owner.
4. **OQHRA will pay any required Farm Fee/Chute fee out of the proceeds of the sale.** No stallion will be accepted that requires a chute fee if the total breeding fee is less than \$500. Stallions that require a chute fee equal to or in excess of the minimum bid may not be accepted.
5. Once the breeding is sold, OQHRA will notify the stallion farm. The contact person's name and phone number of the breeding facility will be given to the purchaser. Breeding arrangements will be made between donor and purchaser. OQHRA is not responsible for booking dates or any additional fees associated with this breeding.

### Stallion Service Auction Procedures

Each donated breeding will be offered for sale online at [www.oqhrastallionauction.com](http://www.oqhrastallionauction.com). If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined. In order for a bid to be considered, it must be at least fifty percent (50%) of the advertised or established breeding fee. Any breeding not sold when initial bidding closes on January 23, 2020 will be offered on a first-come, first-serve basis for 50% of the advertised breeding fee or the minimum bid specified for the online auction. At its discretion, OQHRA may accept bids at less than 50% for stallions selling after January 24 and prior to March 15, 2020. Donated breeding's will be offered until sold or March 15, 2020.

A stallion owner/donor may purchase their own stallion service at fifty percent (50%) of the advertised or "established" breeding fee if the breeding has not sold by January 23rd in order to make their stallion eligible for the Stallion Bonus. This is not mandatory.

Breedings are for the 2020 season only. Any carryover to a future year is at the sole discretion of the stallion owner. Limited Live Foal policy will apply unless otherwise indicated in conditions. As these are donated and promotional breedings, there is no guarantee of a "live foal". The term live foal means that the foal resulting from the breeding stands alone, nurses, and lives for 24 hours. Should the mare not produce a "live foal", the stallion owner will grant the right to the mare owner to rebreed the mare ONLY as long as the stallion is standing at the ranch advertised in this catalog, and is still living. If the stallion moves to another ranch, or if the stallion dies prior to the next breeding season, the ranch listed in this catalog and the stallion owner will have no further responsibility, nor will monies be refunded.

***Stallion owners donating a breeding that sells in the online auction for at least \$500 will receive a limited edition OQHRA jacket in appreciation of their support of this program.***
